Voting Platform
Elections will be conducted utilizing an online voting platform called Election Buddy. Eligible voters will access the platform through a personalized email link. This voting platform is tablet, smartphone, and computer-friendly and designed to work with all major browsers.

When
Election voting will occur during the Saturday morning session of Convention. The evening before voting (Friday evening), eligible voters will receive an email containing their personalized voting link.The email will come from electionbuddy.com with an Episcopal Diocese of Missouri header. How
Our voting will be conducted using a preferential aggregate transfer ballot system. Each elector shall mark his or her ballot by numbering the names of all the candidates for each office in order of preference, with "1" being the highest (most preferred) ranking. For example, if there are three candidates, the elector places "1" beside their first choice, "2" beside their second choice, and "3" beside their third choice. The elector shall not give more than one number to any name, nor shall any name be left unnumbered.
