

2023 Annual Report of the Jane Dey Convocation

Over the last year the Jane Dey Convocation has been focusing on building community despite the widespread geographical distances. The voting delegates held business meetings and discussions via Zoom roughly every other month. Jane Dey Clergy met with the Bishop on two occasions for discussions and fellowship. The various churches of the Convocation met for a fall Fun Day at Pinnacles Youth Park North of Columbia. Although attendance was low for a variety of reasons outside of our control, we look forward to continuing to work to build Community through similar activities in the coming year.
